ORGANIZE DAY WARDENS FOR ADDED PROTECTION

A division of the local civilian defense corps that will serve the community while night air raid wardens are occupied by their daytime jobs, is now fully organized, it was announced, Monday, by Moe Plansky, assistant chief air raid warden. This important group is the Day Air Raid wardens.

In training for the past month under Plansky's direction, the day wardens cover the entire city, functioning in every sector that is covered by other wardens at night. In this manner the city is given 24-hour service in case of an emergency. Practically all of the day wardens are women, and they are undergoing the same basic training that other civilian defense volunteers are taking. Plansky has 24 senior day wardens, each of whom has six wardens serving under her as block wardens.

Plansky, himself, is on emergency duty 24 hours a day, serving as assistant chief air raid warden in sector 14 at night. He has already completed all of his basic training, having volunteered at the outset of the war.

Basic Training Completed By 150

Basic training in civilian defense has been completed by 150 volunteers of Daly City's civilian defense corps, it was announced, Tuesday, by R. L. Crane jr., director of training.

With many others who have received gas masks and helmets and are now in training, these volunteers will be issued diplomas from the Office of Civilian Defense on Civilian Defense Day in Daly City, which is to be held, (Continued on Page 6)

Book Three Games For Baseball Fans

Three baseball games will be staged at local diamonds for Daly City fans, Sunday, according to baseball bookings from the Daly City WPA Recreation department.

Two of the games will be played at Marchbank field. The opener will find the Daly City Juniors tangling with the Owl Juniors at 11 a. m. In the second game, at 2:30 p. m. the Daly City Farallone Packers will seek a seventh straight victory when they meet the Eagles No. 61.

At the Jefferson diamond, the McLaren Boys' club will play St. Michaels at 2 p. m.

The Recreation department also announced this week that the semi-monthly afternoon dance will be held Friday between 2 p. m. and 5 p. m. at General Pershing school.

Reorganize County Rationing Board

A second reorganization of the San Mateo County Rationing board was effected recently when Paul Fagan, chairman of rationing, again took up duties.

Fagan had resigned from the office in the first change, and each rationing board was issued instructions that they would work individually and not as a county unit. However, under the new plan, the county board will act as a unit again, and have added to their duties that of county price administration.

In commenting on the reorganization, John Dell, Daly City representative on Board No. 41-2 in the northern district, said that the local board will be expanded, according to Fagan's plans. A larger location is sought by the rationing and price board than the one now occupied in the South San Francisco post office. Also, more office help is expected to be employed, Dell said.

Sugar rations were increased on the fifth and sixth stamps to two pounds per stamp instead of one pound per stamp. The amount of sugar available on future stamps has not yet been announced.

New President

Jimmie Schultz, above, presided for the first time, yesterday, as head of the Daly City-Colma Lions club at their meeting at Ye Old Colonial Inn.

Other newly elected officers include: John Newton, first vice-president; Hugh Smith jr., second vice-president; Joe Sarto, third vice-president; Dr. I. T. Budaeff, Dr. W. J. Lanthearne, William J. Sweeney, Bert Meritt, and Larry Comer, board of directors; John Ferrari, treasurer; and R. L. Crane jr., secretary. Busily engaged in several activities, the Lions club anticipates an interesting year.

Police Nab Burglar At Jefferson High

Apprehended by Daly City police, Friday, while burglarizing Jefferson Union high school's office, Joseph Emerson Gonsalves, 39, Oakland farm laborer, will appear tomorrow afternoon at 3 p. m. in the Daly City municipal court for preliminary hearing on burglary charges.

Gonsalves was arraigned in court, Monday, when he pleaded guilty to an attempt at burglary at the high school.

Responding to the burglar alarm, early Friday morning, in the high school, Officers Roland Petrocchi and George Savage entered the office at the high school, and found Gonsalves crouching behind a desk in an effort to conceal himself from the officers. After the police spotted him he was searched for weapons. Although no weapons were found on his person, a large meat cleaver was found lying on the desk in the office. He was taken to the police station and booked for burglary.

Investigation showed that he had broken a window in the office to gain entrance to the building. This attempt apparently failed, since Officers Petrocchi and Savage found that he had later gone to the rear of the building and pried a back door open with a large plank.

Gonsalves thus entered the school building through the kitchen and from there went to the office.

Upon questioning by Chief James G. Reardon, Gonsalves revealed that he had used the meat cleaver to try to open the desk drawers.

Firemen To Burn Off Vacant Lots

Complete cooperation of the Daly City Fire department with the Civilian Defense Council and city officials was demonstrated, Monday night, in a department meeting by a quick response to an important request to lessen the fire hazard in the city.

Numerous weeds in the vacant lots over the city have been found to be a serious fire hazard, and the insect menace has also been increased by excessive weeds.

When the city council sought cooperation in ridding the city of weeds, the Daly City Fire department (Continued on Page 6)

Colma Volunteers To Have Practice Test

Thirty volunteers of the Town of Colma's newly organized civilian defense corps will undergo an initial practice test, tonight, in a city-wide demonstration.

Plenty of action for every volunteer is promised when tonight's drill gets under way, according to John Price, chairman of the Civilian Defense Council. All services will roll, including first aid, air raid wardens, auxiliary police and firemen, and rescue squads.

Colma's organization is rapidly taking shape under Price's direction. Gas masks have been distributed to several volunteers and basic training is under way.

U. S. O. Campaign Raises \$1,318.15

Daly City residents, business houses, and organizations contributed \$1318.15 to the United Service Organizations in the 1942 campaign for funds, it was announced by William P. Bolger, chairman of the drive, Tuesday.

American men who are serving in the Army, Navy, Marines, and Coast Guard will enjoy the comforts of the USO through the medium of these contributions.

Daly City's contribution was made through determined efforts of Bolger's committee, consisting of Joe Firpo, treasurer, and Mrs. Ethel Dorn, secretary, and a large group of volunteers who made house to house canvasses. Members of the Daly City Police department also aided the drive, covering the entire city in (Continued on Page 6)

Nation Needs Waste Fat, Grease

Daly City housewives were summoned, yesterday, to aid the national war effort as the San Mateo County Salvage committee announced the opening of the drive for waste fats and grease for the manufacture of munitions and explosives.

Foreign sources of vegetable oils which have previously been used for this purpose have been cut off, and the nation must rely on citizens to enter this patriotic drive and supply the materials. All fats and grease are to be collected and delivered to any local butcher shop.

The national drive is not scheduled to begin until Tuesday, but the drive was launched in San Mateo county yesterday in an effort to get an early start.

Tin cans are to be used for containers for the grease and waste fats. All donors were instructed NOT to use glass containers, since the material cannot be salvaged after the grease has been in a glass. Pan drippings from cooked fats are to be kept separate from those which are cut from raw meats.

The giant overhead automatic doors of two new sparkling white firehouses of the Daly City Fire department will be thrown wide open, Sunday at 10 a. m., in a public dedication and inspection.

A red letter day in the history of the Daly City Fire department, the dedication will be celebrated in an open house tour of the entire department by the public, and will continue all day. Feature of the dedication, the two new buildings will be named Company 2, which is on the corner of Santa Barbara and Parkview avenues, and Company 4, corner of Roosevelt and Peoria streets.

Not only small boys who have gazed in wonder at the big, shiny, red machines in the confines of the firehouse, but nearly every person has been curious to see the "innards" of the fire department. Who is responsible for protection of your home if incendiary or other types of fire rage in your house and imperil the lives of your family? What new and more efficient methods are used in this streamlined day of ours to stop the blaze and prevent its spread? These are questions which can be answered, Sunday.

In addition to the new firehouses, many Daly City citizens will see, for the first time, the three new, specially built fire-fighting machines which were purchased this year.

The apparatus includes two 600 gallon pumper trucks and a squad wagon. All three machines are fully equipped. They were built by the Van Pelt company according to specifications drawn by their engineers and Fire Chief Andrew P. Chesney.

The new firehouses are finished in California white stucco on the outside and plaster on the interior. Concrete driveways have been laid in front of the buildings. Each building consists of an apparatus room capable of (Continued on Page 6)

Hurry! Give That Rubber For Victory

Daly City has an opportunity to boost her total contributions before the rubber salvage drive ends, tomorrow, especially if everyone is as patriotic as little Billy, grandson of Captain F. W. Winter, 619 San Diego avenue. Billy, just going on 8 years old, heard the radio appeal for rubber. So impressed was he by Uncle Sam's need that he went through all his toys and donated those made of rubber to the drive. "I'm a big boy now," he said, "If Uncle Sam needs the rubber he can have these toys."

Rubber collections in Daly City reached a total of nearly 45,000 pounds when latest figures were issued, Tuesday, following a survey by R. L. Crane jr., chairman of the local Salvage for Victory committee.

Only today and tomorrow remain for local citizens to aid the (Continued on Page 6)

Board Registers 9,068 Men To Date

Following the fifth registration of men for selective service, which was completed, last week, Daly City Draft Board No. 103 reached a total of 9,068 men registered since selective service went into operation in America, according to Dr. J. C. McGovern, chairman of the local board.

All day, last Tuesday, youths, 18 and 19 years of age, filed into sign-up depots at five locations in the local draft board area to give their names and addresses for selective service reference. When volunteer registrars finished the registration, late Tuesday night, 494 names were found filled in. (Continued on Page 6)

Tula Council Holds Initiation

Mrs. Beth Wohlfahrt, great pocahontas, was the honored guest of Tula Council No. 236, Degree of Pocahontas of the Improved Order of Red Men, at their initiation ceremony, Tuesday, June 30. The ceremony was held at 8:30 p. m. at Eagles hall. Mrs. Alice O'Brien, pocahontas of the local council, presided at the affair.

State championship team of Ramona council, Oakland, initiated the class of three. Two candidates initiated into the local council were Miss Ethel Hill and Miss Ida Lasswell; a San Francisco candidate was also initiated.

Mrs. Martha Sanders and Mrs. Cora Ray were co-chairmen of the evening.

Members of the local council announced, today, that their meetings have been changed to the first and third Wednesdays of each month.

Next regular gathering of the group will be the installation of officers, Wednesday, July 15. Mrs. Estelle Fahlbusch, district deputy, will install the new corps of officers.

Those elected for the coming term include: Mrs. Norma McCarthy, pocahontas; Mrs. Cora Ray, wenonah; Mrs. Alice O'Brien, prophetess; Mrs. Grace Hill, keeper of records; Mrs. Katherine Trimble, collector of wampum; Mrs. Martha Sanders, keeper of wampum; Mrs. Jennie Garcia, Mrs. Maidie Celler, Miss Margaret Ray, trustees.

Appointive officers will be announced by the new pocahontas at a later date.

PERSHING PTA ENJOYS PICNIC

Everyone had a grand time, according to reports of the members and friends of General Pershing P. T. A. who attended the annual picnic at Fleishhacker playground, Tuesday. The picnic was held jointly with the Daly City W. P. A. Recreation department.

Mrs. Clara Mitchell, of the recreation department, and Mrs. Getha Mejia, of the local unit, were co-chairmen for the day.

Games were held for the youngsters with prizes for all winners. Everyone brought their own picnic lunch.

Mrs. Mejia, sewing chairman, will call on the different members of the unit, according to Mrs. Mildred Rasor, president, and distribute sewing among them. The ladies will do the sewing throughout the summer for the unit's fall bazaar.

Mrs. Lyl Ingersoll To Entertain Crocker

Mrs. Lyl Ingersoll, 439 Crocker avenue, will be hostess to members of the sewing group of Crocker P. T. A., today. The ladies will meet at 11 a. m. A luncheon will precede the sewing session. Proceeds from the luncheon are to be used to help fill the sewing fund and general treasury.

At the meeting, the ladies will complete plans for the annual executive board meeting and picnic, scheduled for Thursday morning, July 30, at Fleishhacker playground.

Mrs. Hazel Cassasa will be chairman of the day. Other ladies will be appointed, this afternoon, to help plan the picnic.

Mrs. Ann Welsh Heads Auxiliary

Mrs. Ann Welsh was elected president of Daly City Unit No. 410, American Legion auxiliary, at the group's meeting, last Wednesday.

Others elected to serve as her corps of officers included: Mrs. Kathleen Matzek, first vice-president; Mrs. Leslie Hanson, second vice-president; Mrs. Catherine Foreman, secretary; Mrs. Vivian Pahlka, treasurer; Mrs. Marce Trier, chaplain; Mrs. Mary Crane, historian; Mrs. Augusta Strohmaier, sergeant-at-arms; Mrs. Margaret Kenney, marshal; Mrs. Hilda Prziborowski, executive committee; Mrs. Naomi Murphy, junior past-president.

The above officers will be installed, Wednesday, August 5, at 8 p. m. at Legion hall. This will also be the date of the dedication of their new flag. Details and committee members will be announced by the ladies at a later date.

Delegates to the annual convention in Los Angeles during the month of August, were also appointed at the meeting. Those to represent the local unit include: Mrs. Welsh, Mrs. Kenney, Mrs. Murphy. Alternates chosen were: Mrs. Pahlka, Mrs. Trier, and Mrs. Foreman.

Mrs. Murphy was hostess to the auditing committee at her home, 261 Ellsworth street, San Francisco, Monday evening.

Next meeting of the unit will be their monthly executive board session, Wednesday, July 15, at 7:15 p. m. at Legion hall.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

Lingerie Shower For Miss Tallmadge

Miss Betty Tallmadge was the surprised guest at a lingerie shower given, last Friday evening, in honor of her coming marriage. Hostesses at the affair were Mrs. Ed Trier and Mrs. Cecil Waggoner. The party was held at the home of Mrs. Trier, 158 Woodrow street.

Guests present included: Mrs. John Brown, Mrs. James McKay, Mrs. Leslie Feusier, Mrs. H. Grieb, Mrs. Felix Foreman, Mrs. R. L. Crane jr., Mrs. Earl Eldrup, Mrs. Margaret Miller, Mrs. Harry Jones, Mrs. Remi Sanders, Mrs. Julia Jordan, Mrs. Sidney King, Mrs. Henry Prziborowski, Mrs. Dan Nathan, Mrs. Owen Green, Mrs. John Matzek, Mrs. Emil Pahlka, Mrs. Flora Corrigan, Mrs. George Scott, Mrs. Felix Chapman, Mrs. F. P. Callsen, Mrs. R. Orr, Mrs. Betty Louise Swope, Mrs. Frances Watson, Miss Marion Miller, Miss Barbara Foreman, Miss Alice Sanders, Miss Shirley Jones, Miss Caroline Woodside.

After the bride-to-be opened her many lovely gifts, a buffet supper was served from a table beautifully decorated in the bridal shower motif.

Miss Tallmadge will wed Neil Cullins, San Bruno, Saturday, July 25, in San Francisco.

Miss Marie Reardon, daughter of Mr. and Mrs. James G. Reardon, 20 Rice street, was treated at Villa Sanitarium, Sunday, for severe burns which she received from scalding water. A kettle of hot water, which she was holding, apparently slipped from her hands and the water scalded her.

Woodrow P. T. A. Sewing Group Meets

Members of the sewing group of Woodrow Wilson P. T. A. met at the home of Mrs. Emilie Mon-Santo, 135 Los Banos avenue, Thursday afternoon.

Preceding the sewing, the ladies were served a delicious luncheon by their hostess.

The ladies are working on a quilt which will be given away to some lucky member of the public at a later date.

The sewing group will meet again, this afternoon, at Mrs. Mon-Santo's home.

Those ladies attending the sewing meetings include: Mrs. Martha Linden, Mrs. Emma Sorg, Mrs. Audrey Code, Mrs. Hazel Keagle.

Mrs. Catherine Foreman, 35 Woodrow street, will entertain members of the executive board, Wednesday, July 15. A dessert luncheon will precede the meeting at 12:30 p. m.

The ladies urge all members to attend this meeting as there is quite a lot of business on hand to discuss.

Remington and daughters Pheby and Martha; Elio Guisti, Al Lagomarsino, Jimmy Burgard, Bobby and Phill.

The cubs are anticipating another hiking trip to the zoo sometime within the next week or so.

U.S. NEEDS US STRONG

EAT NUTRITIONAL FOOD

The good old Yankee custom of putting up food for the winter is being practised throughout the land this summer. No doubt you too, will be filling pantry and cooler shelves while orchard and field crops are plentiful.

For fruits and berries the shortage of sugar is not too serious a check. Some berries can be put up in natural juices without sugar. Or you can stretch your sugar allotment by the use of honey for sweetening. Jams and jellies or syrup for fruit can be made with all honey or half honey and sugar.

For vegetables do not trust old methods for cold or hot pack. Seek the latest and safest methods from the U. S. Department of Agriculture, your State Extension Service or this company's home economists. It is wasteful and dangerous to can vegetables by improper methods. Food is a munition of war. Buy it right. Cook it right. Can it right.

Democrats Form Local Citizens Club

An organizational meeting was held, June 30, at the home of Frank W. Kent, 252 Los Banos avenue by local citizens interested in forming a Democratic club. After Peter Kelly, chairman of the county Democratic Central committee, had declined the position of chairman, Kent was chosen to head the group. Maynard J. Stegeman was selected as secretary-treasurer.

Candidates for election were endorsed and Redwood City guests introduced.

Next meeting of the group has been tentatively scheduled for July 14 at Kent's home. The public is invited.

101 Scouts Enjoy Week At Camp

Fifteen boys of Boy Scout Troop No. 101 enjoyed a week's camping at Don Bosco, Catholic Boy Scout camp near the Russian river.

DALY CITY FIRE DEPARTMENT

Daly City will have good reason to give itself a reassuring pat on the back, Sunday, when the fire department holds open house. On review will be two new fire houses, three major up-to-the minute pieces of fire-fighting apparatus, and, just as important, the courageous men who serve as firemen.

If Daly City voters had been blind to the appeal of the fire department for the \$40,000 bond issue to modernize the department, no such gratifying display would be possible. Fire-fighting equipment, as nearby San Francisco finds, cannot be had for love nor money now that war-time priorities have entered the picture. Daly City, thanks to the alertness of its department and to the support of its citizens, is well prepared to serve this community in war-time as well as peace-time.

Let's go around to see the new houses and equipment, Sunday. More important, let's say "hello" to the men who man the trucks and fight our fires.

KISSES FOR LAMOUR — Dorothy Lamour is pretending to be unimpressed by the kisses of those two gay gobs, William Holden and Eddie Bracken, but she drops the hauteur in "The Fleet's In," new Paramount comedy with music, due tonight at the Daly City theatre, in which the trio star with such performers as Jimmy Dorsey and his orchestra, Betty Hutton and many others.

"The Fleet's In" Opens At Daly City Theatre Tonight

As usual, Hollywood is moving right along with the times—and sometimes a little ahead of it.

Because of the war some of the stories are grim and realistic. At other times, because of public demand, they are light and aimed only to entertain. Therefore you'll be seeing more and more of your favorite stars in one kind of uniform or other, with female pretties romancing members of the Army, Navy, Marines and Air Corps, according to studio officials.

Right now finds Dorothy Lamour and William Holden favoring the Navy in the gay new Paramount comedy with music, "The Fleet's In," which drops anchor tonight at the Daly City theatre, with Eddie Bracken in a co-starring role. The picture features Jimmy Dorsey and his orchestra and many other top-notch laugh and music specialists.

Not so long ago, Dotty left her sarong back in the jungle somewhere to become the colonel's daughter in "Caught in the Draft." In that film Dotty helped Bob Hope with the laughs and melodies, with Hope wearing the Army uniform that made her proud of him.

But not to make the Navy boys too downcast, Dotty now switches her affections to the bluejackets.

"The Fleet's In" marks the second time in which handsome William Holden has appeared in one of Uncle Sam's uniforms recently. Just a while ago, Holden was burning up the skies as an American warbird in "I Wanted Wings." Now he's in gob's garb, and loving it.

Flavored by nine top tunes, "The Fleet's In" is a story about sailors on shore leave in San Francisco, and in particular it is the story of how Dorothy Lamour becomes the darling of the United States Fleet when she marries Gob William Holden, after a courtship that's more powerful than a battleship.

Air-Tight Control Over Alaskan Travel

Air tight control over all persons seeking to enter or leave the Territory of Alaska after tomorrow, and the elimination of all unnecessary travel to Alaska, will result from joint action by the Western Defense Command and Fourth Army and Alaska Defense Command, Lieutenant General J. L. DeWitt, announced today.

The announcement followed the issuance of Public Proclamation No. 4 by the Commanding General of the Alaska Defense Command.

Mustard Gas And Lewisite Gas

By Dr. Ward L. Mould, Medical Gas Officer, U. S. Office of Civilian Defense.

(This is the third of a series of six articles about war gases, their characteristics, and the measures the civilian can take to protect himself against gas injury.)

The "persistent" gases (those which will remain in or "contaminate" an area for a long time) are intended to burn the skin, or injure the lungs or eyes. The two principal members of the group are mustard and lewisite. They will remain in an area for several days or weeks, depending on the weather. The presence of gas can usually be detected by its odor. The sense of smell is the best gas detector known.

MUSTARD GAS: Mustard gas smells like garlic or horseradish, and can be detected in very low concentrations, even in concentrations below that capable of producing injury. However, if one stays in even a very low concentration for a long enough period injury might result.

Mustard gas will penetrate any porous material in time. It will be held away from the body by heavy clothing for a short period. The clothing, once it has been penetrated by the gas, is a source of danger because it will hold the gas in intimate contact with the skin.

Even if no neutralizing steps are taken following exposure to mustard vapor, it is usually 4 to 6 hours or longer before any discomfort is experienced. The individual may then have a sensation of smarting or burning skin, much the same as if he had been sunburned. His eyes will smart, burn, and water as if they had tobacco smoke in them. He may have a mildly sore throat, a nasal discharge and cough, as in the symptoms of a common cold. If exposure has been more severe, blisters will appear in the "sunburn" area of the skin, the eyes will burn and water more, and the "common cold" symptoms will accumulate. If severe injury is sustained all the symptoms will be exaggerated, but this should rarely occur if prompt steps are taken upon exposure to mustard gas vapor.

If a person's skin comes in actual contact with liquid mustard gas, the injury will be more severe at the point of "contamination" but not as extensive as a vapor burn. This will come from remaining in an area contaminated by the mustard vapor. Even with liquid mustard there will seldom be any symptoms for one or two hours. A blister usually appears rather promptly after symptoms develop from a liquid injury.

Unless the amount of liquid is very great the burn will be like that caused by an equal amount of very hot grease. It will take longer in healing than the grease burn, but should cause no great alarm.

Liquid mustard in the eyes will cause serious damage unless washed out immediately. Even after first aid has been administered, the eye requires a doctor's attention. But taking cover during a gas attack will eliminate possible injuries from falling droplets of liquid mustard gas.

LEWISITE GAS: This is similar to mustard gas in its action. It smells like geraniums, but it causes a biting sensation in the nose even in low concentrations. Symptoms resulting from lewisite injury develop more rapidly than those following exposure to mustard and are about the same degree in severity. Lewisite contains arsenic, however, and this will cause poisoning if it is absorbed in any amount. Blisters appearing on the skin following exposure to lewisite require a doctor's care. Both liquid lewisite and mustard gas in the eyes require immediate washing of the eyes with a baking soda solution, one teaspoonful to a glass of water, followed by medical attention.

To Place Men In Four Categories

Dr. J. C. McGovern, chairman of Daly City Draft Board No. 103, announced this week that men who are registered with the local board will be placed in four categories to determine the order in which selectees will be inducted.

Instructions were received from state headquarters, based upon the Dependency Allowance Act, recently passed by Congress, and Dr. McGovern said that local men will be placed in the following divisions, according to their individual cases.

1. This category includes the group of selectees who cannot qualify for a lower category, who are not otherwise deferred, and who are physically fit for military service.

2. Registrants otherwise qualified who have persons dependent on them for support other than wives and children.

3. Registrants who are married and reside with their wives and maintain a bonafide relationship in their homes, provided they were not married after December 8, 1941 or at a time when the registrant's selection was imminent.

4. Registrants who, with their wives and children, or children alone, maintain a bonafide relationship in their homes, provided they were not married after December 8, 1941 or when their selection was imminent.

The local chairman revealed that registrants will be selected for induction from each category by sequence.

CAN CONSERVE TIRES

It has been suggested that parking lot attendants can help conserve tires by more careful handling of vehicles left in their care, declares the National Automobile club in making a plea for cooperation. Racing motors and squealing brakes which formerly brought many a shudder to waiting motorists become much more serious these days of automobile and rubber shortages. Garage and parking lot attendants should, as their obligations to their customers, take care of the cars and tires left in their custody.

TOMATO DISH

For a new way to serve tomatoes try stuffing them with tuna fish topped with mayonnaise and then run under the flame of the broiler until the tomatoes are warm and the dressing puffs and browns slightly.

Robert Antonelli, Daly City, and Evelyn M. Brown, San Francisco, applied for a marriage license, last week.

"Eating Out" Makes Everything Different

"I don't like vegetables, and I won't eat vegetables," is a familiar phrase around the dinner table of many homes where there are children.

But did you ever see them when they were on a picnic or during some other outing? Nine times out of ten they'll eat everything on the plate, say food authorities. And, basing opinions on the empty plates after a lunch hour is over at Jefferson Union high school's cafeteria, the ladies who are in charge there are inclined to agree on the subject.

Half finished plates are not seen at the high school cafeteria, where five cent lunches are served every day from Monday through Friday. The plates include plenty of vegetables, too, from the high school's Victory garden.

The project, sponsored by the Surplus Marketing administration and the high school, is open during the summer months for Daly City children to enjoy. All meals are only five cents and include several hot dishes. The cafeteria is open for lunch between 11:30 a. m. and 1 p. m. on all week days.

County Leads Entire State In Tin Drive

Leading all other counties in California, the tin drive in San Mateo county has piled up more tin cans, to date, in the Metal Thermit company in South San Francisco than any other salvage organization in the state, according to Theodore Lillenthal, county chairman.

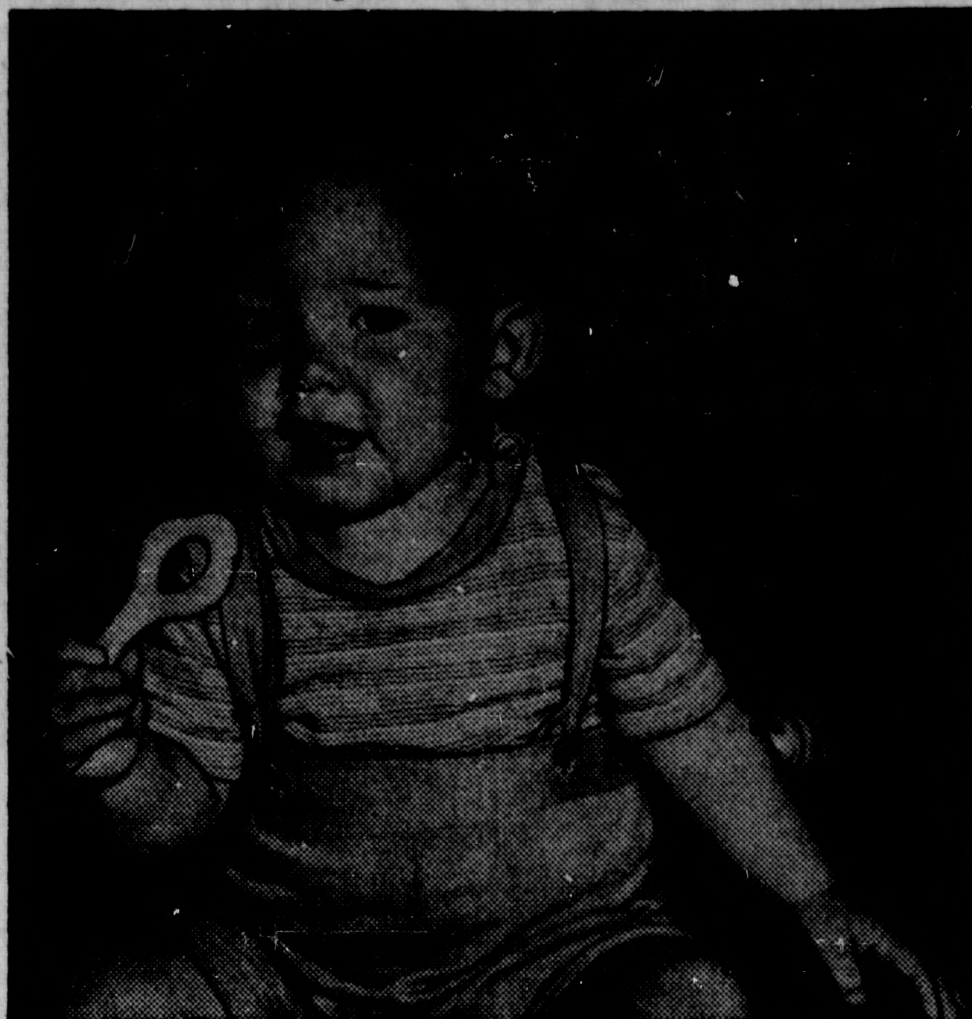

The South San Francisco plant reprocesses the metal in the tin for further use. It is one of the three plants in the nation that can reprocess the metal in separating the tin from the steel. Unlike the other salvage drives, the tin campaign is a permanent drive since the tin shortage in the nation is so serious.

Mr. and Mrs. John A. Patterson, 112 Bepler street, are the proud parents of a son born, July 1, in San Francisco.

William E. Hutchison, San Francisco, and Gertrude Poddig, Daly City, were issued a marriage license in San Mateo county, this week.

Mrs. von Tauffkirchen Succumbs To Illness

Mrs. Rosa von Tauffkirchen, 66, a resident of this community for ten years, succumbed to sudden illness, Friday, July 3. She resided at 265 Flournoy street.

She was the wife of the late Leo von Tauffkirchen; mother of

Mrs. Rose Marie Turner, George W. and W. R. von Tauffkirchen; grandmother of Diane and Ronald von Tauffkirchen and Dale Turner.

Funeral services were conducted, Monday afternoon, at 1 p. m. at the W. C. Lasswell company chapel. Interment was at National cemetery, Presidio.

Anderson On Radio Tomorrow Night

In one of the most important radio talks of his career, Congressman John Z. (Jack) Anderson, who represents this district in the House of Representatives, will take to the air between 6 and 6:15 p. m., tomorrow night, July 10, over Station KQW, San Jose, and KHUB, Watsonville. The Congressman will give a report to the people of his district on the war situation as he sees it in Washington.

Especially significant will be Anderson's discussion of the rubber situation, and just what is happening in regard to it in the nation's Capital. The Eighth District representative, two and one half years ago sponsored a project for the development of guayule, rubber producing plant, in California. It was not until the Spring of this year, that the program was finally adopted, and the project launched in the Salinas valley.

Increasing Capacity of Statewide Bank to Spur More War Production

Bank of America Mid-year Statement Shows Progress

The statement of condition of Bank of America as of June 30, 1942, shows deposits at the all-time high mark of \$1,958,430,000, an increase of \$272,942,000 over a year ago and an increase of \$50,047,000 since December 31, 1941. Total resources were \$2,143,202,000, a gain of \$265,464,000 over a year ago.

LARGE LOAN VOLUME

Loans and discounts outstanding aggregated \$889,353,000 which is \$44,887,000 higher than a year ago. Since December 31, 1941, loans and discounts decreased \$25,216,000, while bond investments increased \$81,437,000.

Earnings after operating expenses and accruals for taxes were \$12,618,000. From this total \$2,133,000 was reserved for depreciation of bank premises and amortization of bond premiums and \$2,053,000 was set up in reserves and applied to the absorption of losses or the revaluation of assets. After payment of \$5,267,000 in dividends at the annual rate of \$2.40 per share on the common stock and \$2.00 per share on the preferred stock, and after profit-sharing bonus to employees, capital funds were increased from earnings for the six months' period by \$3,119,000. This, with the divi-

dend, is equal to approximately \$4.00 per share per annum on the common stock.

WAR RESERVES

Following the policy previously established, one-half of the net increase in undivided profits was transferred to the war contingencies reserve.

Capital funds, including reserves, now total \$158,767,000, which is an increase of \$2,024,000 for the year, after the utilization of \$3,882,450 to retire 77,649 shares of preferred stock during the period, and after applying \$842,000 of an unallocated reserve, previously set up for the purpose, to reduce the book value of certain banking premises, in addition to normal depreciation.

WAR PRODUCTION

President L. M. Giannini stated that the curtailed demand for ordinary civilian credit had made more funds available to finance war production. "We are continuing to carry forward our policy of unstinted support to America's victory program," he said.

Thirty Pass Beginner's Test

The fourth annual life saving and water safety campaign at Jefferson Union high school came to a close, Friday. The final check-up found that thirty passed the beginner's test, 21 swam 75 feet, and nineteen swam 40 feet.

Instructors of the summer campaign were Miss Ella Redkey and Miss Juanita Young.

Those to pass the Red Cross Beginner's test included: Peggy Chamberlain, June Chesney, Gloria Coleman, Rodney Duffy, Thomas Fazendin, Ethel Garibaldi, Joan Garibaldi, Oscar Giusti, William Greggens, Mildred Hansen, Edward Haussler, Gerald Haussler, Frances Hopkins, Mrs. Elsie Johnson, Mrs. Lillian Kraft, Beryl Lohse, Zola Rae Lohse, Mrs. Mildred Lohse, Robert Lynch, Vivian Hanke, Reinhold Peterson, Betty Preston, Marvel Ramsey, Doris Sanguinetti, Milton Tromborg, Mrs. Marion Rodriguez, Eugene Van Duyn, Bonnie Webster, Marlene Wyler, Mrs. Pearl Jones.

Those who swam the width of the pool, or 40 feet, were: Beth Calvin, Laura Christensen, Frances Cotter, Helen Goodenough, Barbara Hales, Dorothy Hacker, Joan Leepin, Jack Kennedy, Larry Leepin, Dante Natalie, Terrence O'Sullivan, Roberta Romer, Bozena Seidel, Florence Sharp, Marie Sharp, Lani Strong, Betty Welp, June Wilmoth, John Wimbley.

Swimming the length of the pool, or 75 feet, were: Garry Chamberlain, Jo Eberle, Betty Duffy, Donna Gastel, Donna Henderson, Joan Hopman, June Gury, June Lemon, Theresa Mabon, Patsy Mabum, Robert Mayo, Anna McDermott, Donald Mehan, Madeline Mejia, June Michelson, Shirley Miller, Ed Perrins, Lois Rentsch, Richard Ryan, Nancy Schreiber and Robert Volkman.

Buick Training School Doubles Enrollment

With classroom and bench instruction under full swing, Buick's school for training ground personnel of the Army Air Forces to become engine overhaul mechanics has doubled its weekly enrollment of troops with the school expected to reach capacity enrollment next month.

This was announced yesterday by W. F. Hufstader, general sales manager, who directs the training operation in cooperation with the Army Air Force Technical Training command. Already, he said, several hundred trainees are taking the course which concentrates in a classroom shop practice program complete instruction on servicing and heavy repair of aviation engines.

Thousandth P. G. & E. Man Joins U. S. Forces

The thousandth P. G. and E. man joined up with Uncle Sam yesterday. He is William J. Hickey, aged 26, of 1079 Tennessee street, San Francisco, and he entered the Navy as a Boatswain's Mate Second Class.

Hickey has been a P. G. and E. employee since March 18, 1937—a mechanic at Station "A" in the Potrero, the company's largest steam-operated electric generating plant.

Introducing Daly City Air Raid Wardens

This is the first of a series of pictures of Daly City's sector air raid wardens. The Daly City Record is supplementing the hundreds of inches of civilian defense news it prints with these pictures to the end that local people get to know their wardens better.

Shown above are members of Sector 1. Standing, left to right, are Walter Clement, Clinton Prescott, Fred Zraggen jr., Stone Lantz jr., Fred Zraggen sr., Stedman Prescott, Stone Lantz sr., Ernest Lantz; holding the sector placard is Olaus Gimle, sector warden in charge of the district. In addition, the following men are Sector 1 wardens: O. P. Ramsey, Joseph Zraggen, S. J. Garbarini, Frank Orr, and A. E. Mejia.

INVITE PUBLIC TO OPEN HOUSE

(Continued from Page 1) housing two trucks, a large meeting room, kitchen, lavatory, and shower room.

Company 6, Werner street, will also be on display, and Company 1, 188 Santa Barbara avenue, will join with Company 2 in the dedication of the latter firehouse. All firemen will be in uniform, Chief Chesney announced.

Both the firefighting apparatus and the firehouses play major roles in the \$40,000 fire department improvement program, financed by the issuance of bonds which were voted in a special election, last year.

Councilman John J. Fahey sr., mayor at the time the bonds were issued, submitted the following financial statement for expenditures:

The total amount available after the bonds were sold was \$39,850.90. The three fire trucks were purchased for a total of \$19,588.69. Cost of the construction of the two new firehouses amounted to \$13,642.06. Purchase of the lots for buildings totaled \$1,136.17. Three other expenditures were architectural fees, \$504; advertising for bids, postage, etc., \$67.11; and printing bonds, \$89.57. The above expenditures amounted to a total of \$35,027.60, leaving a balance in the fund at the end of May of \$4,823.30.

Firemen To Burn Off Vacant Lots

ment announced that they would burn the weeds from all vacant lots in the city at no cost to the city. Auxiliary firemen were quick to respond to the request.

Only one provision was made by the fire department. They asked that all residents whose property adjoins a vacant lot clear the lot three feet in from the boundary line.

Councilman Hugh Smith jr., who appeared before the fire department for the city council, Monday, praised the entire department for its splendid cooperation in eliminating the weed menace.

ed with the board. Daly City men who registered in the fifth registration numbered 182, and, in the Colma district, 54 registrants were signed.

Commenting on the large number of registrants over which the local board has authorization, Dr. McGovern revealed that the office personnel is literally swamped with work in handling each case. All persons working in the office are working full schedules, sometimes late at night, and on Sundays and holidays. The office was open all day on Independence Day. Despite the flood of office detail, however, Dr. McGovern said that Major Farrington, U. S. A., affiliated with the selective service branch, recently gave the Daly City board a one hundred per cent rating in efficiency after a survey of the office. In addition to regular personnel, much of the credit is due volunteer registrars who have assisted during the various registrations without compensation.

OLD BUS STILL NEEDS CARE

Even if a motorist is giving the old bus a rest in order to conserve tires, he shouldn't neglect to give it a regular check-up and keep it in good condition, declares the service department of the National Automobile club. A few things automobiles need every 5,000 miles to keep them in good running order include: cleaning and adjusting distributor points, cleaning the air cleaner, and cleaning and adjusting the spark plugs.

Basic Training Completed By 150

(Continued from Page 1)

September 13. The announcement was made after Crane and Hugh Smith jr., secretary of the defense council, completed the task of reorganizing the master file in the headquarters in the city hall, Sunday. Nearly one thousand names of persons in Daly City who have volunteered for civilian defense since Pearl Harbor were placed in a cross file of two sections. One section has the names of the volunteers in alphabetical order, and the other has the names according to the service in which they have been classified.

On each card is noted the address of each individual and where they can be reached in an emergency. It also includes how much training each volunteer has and what equipment has been issued to him, thus giving the Civilian Defense Council a complete and immediate check on him.

Hurry! Give That Rubber For Victory

vital need for rubber material by contributing to the drive. Although the drive was scheduled to end last week, President Roosevelt extended the national drive until tomorrow as an emergency measure.

Not only "scrap" rubber but every rubber item, which can be spared from present service, is needed for war production in America. Rubber of any description can be processed for reclamation and used in production. Rubber is needed on the wheels of U. S. bombers, mechanized units, jeeps, command cars, and gun mounts, and a last minute appeal was made this week to local citizens to take any rubber article that can possibly be spared to the nearest service station.

"If our men in the front lines can make sacrifices to preserve our democracy, so can we make sacrifices by donating rubber material," Crane said in urging Daly City persons to make a final search for rubber.

Mr. and Mrs. Cabano Celebrate Anniversary

Mr. and Mrs. Angelo Cabano, 54 Como street, celebrated their fifteenth wedding anniversary at the summer home of Mr. and Mrs. William Cain, recently. The couple left Daly City, Friday evening, and spent the Fourth at Russian river.

While there, the Cabanos enjoyed a theatre party held in their honor and many other outings. They returned home, Sunday evening, and were honored guests at a dinner in North Beach.

Cabano is the new proprietor of Milo's Fruit and Vegetable department.

- To salvage shellac and other materials vital to the war effort.
- To raise funds to buy new records for army posts, camps, navy ships, U. S. O. and Red Cross centers. Total proceeds from the sale of scrap records will go to purchase new records for our fighting men.

The local drive is under the direction of A. G. K. Jakobsen, representing Daly City Post No. 410, and Mrs. Marcie Trier, representing Daly City Unit 410. It will start, July 20, and continue for two weeks. Plans are under way to have neighborhood groceries act as collection agencies for the drive. Details will be announced next week.

Jakobsen called attention to the fact that it does not matter if the records are scratched, cracked or broken.

What really matters is that YOU do your part in helping to reach the 5,000 quota.

eight police districts.

Satisfied with collections during the seven week period of the campaign, Bolger expressed appreciation to all who worked on the campaign.

"The real success of the drive lies in the generous way in which we were received by the public," Bolger said.

"I want to thank all the committee for the numerous details which they worked out in making it a success. I appreciate the help I got from all who worked on the drive."

Mayor A. J. Gaggero also expressed appreciation to citizens of Daly City for their fine support. Commenting on the results of the local campaign, he said:

"They have certainly done a splendid job in making the USO drive a success here. We thank the committee for their help, especially Bill Bolger, who did a fine job as chairman. We appreciate the help from all the people of this community who contributed to the USO."

Too little; too late; too bad! There is still time to buy U. S. Defense Bonds and Stamps.

SAFEGWAY Homemakers' Guide

★ Tips worth reading on menu planning ★ A list of foods you'll save money by checking ★ What one girl learned about so-called "week-end specials"

Want to know how to save lots of time in your food shopping?

The answer to the above question is — "Plan your menus ahead of time". Planning meals in advance not only saves you time, money and trouble, it is, today, practically your patriotic duty. For today every minute must count — every meal contribute to health and morale. These few tips suggested by the Safeway Homemakers' Bureau, should help a lot in your menu planning.

Tip No. 1 — Plan menus several days in advance, a whole week if possible, so you'll see your food picture as a whole. Then you can check to make sure you've included plenty of variety and a balance of foods needed for good nutrition.

Tip No. 2 — For good nutrition, each day's meals should include at least a pint of milk for adults, a quart for children; an egg per person, or at least 3 to 4 eggs a week; some enriched or whole grain bread or cereal; a tomato or citrus fruit or their juices; another serving of fruit; at least two servings of vegetables besides potatoes, one preferably green, leafy, or yellow; a serving of meat, fish, chicken, or sea food; some butter or vitamin A fortified margarine; and whatever desserts and special treats you like.

Tip No. 3 — Even the best food tastes better served attractively. Be sure to include in every meal a pleasing contrast of shapes, colors, and textures, as well as contrasting temperatures and flavors. A well-known nutritionist has said that if you are color-conscious and include food that's white, green, yellow, and red in each day's menus, your vitamins and minerals will take care of themselves.

Tip No. 4 — Plan menus on a regular, definite day in the week, whenever's most convenient for you, and allow yourself plenty of uninterrupted time to do a really good job.

Tip No. 5 — It's more fun to plan meals when you're a little hungry, and your ideas may be better then, too.

Tip No. 6 — Many homemakers find it easiest to plan breakfasts for the week first, next dinners, and finally lunches or suppers. This scheme lets you check over breakfast and dinner for each day before planning the third meal, so you can make sure it completes the nutritional picture.

Tip No. 7 — Decide ahead of time how to serve any leftover foods (with careful planning you won't have many) in appetizing guise.

Group 141 Boys Attend Church Camp

Fifteen boy scouts and cubs of Group No. 141 enjoyed a ten day camping trip, recently. The boys left Daly City, Saturday, June 20 with their scout leader, Joseph Straughan, for the Nazarene church camp for boys at Santa Cruz. They returned home, last Tuesday.

Straughan announced that the boys will be leaving in a couple of weeks on other camping trips.

Those boys who enjoyed the Santa Cruz trip included: Bill Reardon, Robert Thompson, Lyle Pense, Harry and Robert McCune, Donald Mohrweiss, Donald Fulton, Jacob Hummel, Alex Findlay, Roger Lillo, Billy Lemmon, Billy Jespersen, John Winn, Ray Lagomarsino and Vernard Volker.

Each day the boys enjoyed swimming handicrafts, braided work and metal work.

Two of the local boys, Pense and Fulton, were chosen to participate in the moving picture, made each year at the camp. The picture will be shown at churches throughout California, Utah and Oregon. The picture made last year, at the camp, is now showing in the East. This year's production is called "A Better Life."

On their way back, the boys stopped at Alum Rock, and stayed all night. "The boys had a great time sleeping out in the open, cooking and swimming," announced Straughan.

'Show Time' Comes To Curran July 13

Vaudeville in a new, streamlined, modern form is the rage of New York and other eastern cities. This new version is a vaudeville revue, made up entirely of headliners, with a swift pace that offers just the type of clever, bright entertainment everyone seems to crave today.

On July 13, Fred F. Finklehoffe will present such a vaudeville revue, "Show Time," at the Curran theatre, San Francisco, with a group of brilliant stars heading the cast, direct from New York.

George Jessel, master of ceremonies for the show, has starred in vaudeville, musical shows, drama and pictures, and is known to thousands for his telephone conversations with his "Mom" on his radio program; Jack Haley is the clever comedian of stage and screen who always seems to be the Patsy; Ella Logan is a Scotch lass who sings a "mean" song and has "a way about 'er"; Kitty Carlisle has made her mark in operetta and drama as well as musical films; while the De Marcos are famous from coast to coast as the country's outstanding ballroom team.

Ray Kennedy Sets Scholastic Record

After one short month of basic training in the United States Army Air Corps, Ray E. Kennedy, Daly City youth, established a high scholastic standing for himself by passing with a 98 per cent average in eighteen courses at the army's flying school in Santa Ana.

Born, raised, and schooled in Daly City, young Kennedy is well known in this community.

Ray Kennedy

He joined the service as an air pilot cadet, May 28, of this year, and was assigned to the U. S. Army Air Corps Replacement Training center at Santa Ana. There he is receiving his basic training. Kennedy was selected as a squadron leader in his class, recently.

The Daly City youth, 21 years old, was graduated from Jefferson Union high school. Following the end of his schooling, he was employed at Stockton Lumber company. He resided at the Kennedy home at 6893 Mission street.

Only a few months before his entrance into the Army Air Corps, Kennedy was married to a popular local girl, the former Miss Evelyn Ciemoli. She is well known for records she set in national typing contests while in high school, and numerous honors in ice skating.

Robert Seiler Honored At Los Gatos Party

Mayor Stanley Mills and his wife, Los Gatos, were present at a birthday party to honor three employees of the Los Gatos Recreation department, last Wednesday evening. The celebration was held in honor of Robert Seiler, 663 Evergreen avenue; Miss Betty Grass and Miss Eileen Phifer, San Jose State college, at the Los Gatos park.

Mrs. Ellen Gilkey, secretary of the department, was hostess at the outdoor supper.

Seiler is manager and life guard for the Los Gatos pool. He graduated from Jefferson Union high school in June and is well known in this community. His parents are Mr. and Mrs. Henry Seiler.

BANK'S RECORD IS APPLAUDED

Bank of America's mid-year statement of condition, which appears elsewhere in this issue, is pointed to by local officers of the bank as evidence of the institution's constantly growing ability to serve the entire state and, particularly, to continue major financial assistance to war production industries.

The bank's continued growth is attributed to devotion of the state-wide staff to a policy of public service, to efficient management, and to the loyal support of customers whose savings and other surplus funds function as "fighting dollars" while on deposit.

Need a New Car? then - better get it!

Think things **THROUGH** on buying a new car! If you are Eligible under Newly Liberalized Rules it's Smart to **BUY NOW!** And here's why!

The Government wants us all to save gasoline.

The Government wants us to save rubber.

The Government also wants to make *most efficient use of transportation facilities now available*—including cars now built and ready for sale.

You do not help the country by continuing to "get along" on a car no longer fully efficient, safe or dependably able to serve you in any necessary use.

If you can qualify under latest rationing rules, you are recognized as an essential driver.

As such, you are not only entitled to your share of available gasoline and rubber, *but are in reality expected to make the best use of them.*

Your Buick dealer can show you that you can more efficiently do this in a brand-new, gas-thrifty, solidly dependable new 1942 Buick than in an older car which may have seen better days.

So before jumping at conclusions, get the whole story on new-car buying. Drop in on your Buick dealer for full details. He is at your service—any time.

Navy Airman Reported Missing

Reported missing in the Navy's latest casualty list released, Friday, was the name of Merlyn Belmonte Dawson, United States Navy airman. Dawson's wife resided in Daly City for a brief time when he went into service. She lived with her sister, Mrs. William Shepherd, Mission Auto court, 6843 Mission street.

Last information received from Dawson revealed that he was stationed at a Navy outpost in Alaska. The casualty list reported that he has been missing since June 3 when he was on patrol duty. Dawson is an aviation pilot, first class, in the Navy Air Corps. His wife has returned to Pensacola, Florida, to his home. Mr. and Mrs. Shepherd have lived in Daly City since December.

Farallone Packers Win Sixth Game

Winning their sixth consecutive game in Sunday baseball at Marchbank field, the Daly City Farallone Packers, local semi-pro baseballers, turned back the highly touted Frank Newman nine of San Francisco, 9 to 5, in a game here, Sunday.

Paced by an effective pitching performance by "Babe" Barsodi and the dependable hitting of the Packer's catcher, Pat Higgins, the Daly City club showed fine form in trimming the Newmans. Barsodi, who formerly hurled with the San Mateo Blues, allowed the losers only seven hits, while his battery mate, Higgins, connected with three safeties for four trips to the plate.

A new baseball team in Daly City this season, the Packers are managed by Charles Norry and coached by Joe Driscoll, two experienced hands at developing baseball players.

Members of the Daly City Band were recently entertained at a turkey dinner by the Napa County Fair association. Forty members of the local musical organization attended the dinner.

Three Youths Held Pending Court Action

Court charges against three youths guilty of arson, arrested here two weeks ago, are this week pending action by the San Mateo county juvenile court.

Two of the youths, one 14 years old and the other, 11, confessed to setting fires which leveled three buildings in Daly City and vicinity. They also admitted turning in numerous false alarms and setting other fires over a period of years, some of which were in San Francisco. The third youth was found to be an accomplice of the other two boys, after investigation by local police and county juvenile authorities.

City Of Daly City Has Bonded Debt Of \$32,500

The city of Daly City with a bonded debt of \$32,500 and a per capita debt of \$3.38 at June 30, 1941, ranked two hundred thirty-second from the highest among the 284 California cities in per capita debt, analysis of the indebtedness of California cities, completed today by California Taxpayers' association, shows.

Debt payments of the city amounted to \$1,496 for interest and \$6,500 for redemption, the association found.

Veteran Firemen Hold Regular Meeting

Daly City Veteran Firemen's association held a regular meeting, Friday evening at their headquarters, 188 Santa Barbara avenue.

Reports of sick members were given at the meeting, and several other reports were made by committees. It was announced that a nice delegation attended the funeral of H. Elmers in Burlingame recently. Elmers, who resided in Daly City for several years, was

a member of the Daly City Fire department.

All members were urged to be present at the next meeting to be held on Friday, August 7, when the drill team will be present.

Friday's meeting was closed by a buffet supper served by Comrade Chef J. Hesslein.
